Alchemical Healing, a Guide to Spiritual, Physical, and Transformational Medicine (Bear & Company) brings together innovative techniques from shamanism and energetic healing with the principles of alchemy, creating a practical form of physical healing, therapeutic counseling, and spiritual growth. Starting with journeys of initiation and commitment for the beginner, *Alchemical Healing* offers advanced students instruction in powerful techniques such as psychic surgery, distant healing, and elemental balancing of the body.

Nicki Scully, author of *Alchemical Healing, A Guide to Spiritual, Physical, and Transformational Medicine* and *Power Animal Meditations, Shamanic Journeys with your Spirit Allies*, is gaining prominence in the fields of healing, metaphysics and shamanism. She has produced several audio-illustrations from her Power Animal Meditations book, including *Journey for Healing with Kuan Yin*, *Awakening the Cobra*, *Journey with Eagle and Elephant*, *Journey with the Vulture and the Crane*, and *Journey of Rebirth with Hippopotamus*. Also on audio CD ... *And You Will Fly!*, a children's healing adventure. Her seminars focus on Alchemical Healing and planetary healing through personal transformation and utilize archetypes, deities and totem allies to assist in empowering people and influencing our physical reality. Scully also specializes in Egyptian Mystery teachings and leads spiritual tours to Egypt, Greece, Peru, and other sacred power sites.

Special thanks to Mark for his nurturing support for all of us throughout this project, and to Cordell Whitaker for her help with the script.

This work is dedicated to the memory of Loa and Odette, two friends who, in their crossing, inspired me to renew my life and my creativity.
