*Dear Friends,*

*Hurrah! I finally received some decent photos I can share with you from the Oregon Country Fair, as promised. I had the privilege of co-creating the opening ceremonies for both the Main Stage and the Midnight Show, which was done in collaboration with about ten of us, including Zahra Indigo Rønlov, Shawna Blue Star Newcomb (offered the prayer in both English and her Native Lenape language in the morning ceremony), musicians and singers Megan, Matthew and Jesse from the Sugar Beets, Ashbolt Stewart and Sharinam from my old band, Tribal Alchemy, Areha, a priestess singer from Las Vegas and of course, Alexa MacDonald who wrote and sang (with others) the song/prayer for both ceremonies. Risk of Change provided added color with their exquisite giant puppets.*

*On Friday morning I led journey to help create the future of the Fair in the opening ceremony, and a prayer that included an initiation to open the Floodgates of Joy at the*

*Midnight Show and during my Friday teaching slot. My daughter Sage and family were also here.*

*I hope you enjoy the photos I'm sharing with you, some from Sage and Jake Cohl and some from my friend Silvana Santoro.*

*As always, the OCF was a place of reunion and an opportunity to hear great music on a number of stages, hear great speakers, meditate or receive free healing and advice at Altared Space (initially founded by me but I retired several years ago.) Since my passing of that baton, the temple has been rebuilt and many new and exciting ways to grow and express the spiritual artist and reverence that resides in each of us have been added. This year for the craft section, they put up four huge blank canvases and provided lots of paint, and the result was beyond anything any of us could have imagined.*

## Facebook Q&A about Egyptian Shamanic Alchemy

*I am particularly excited about the free live Facebook Q&A that will happen at noon on Thursday, August 1. I will be taking all questions relating to Egyptian Shamanic Alchemy and look forward to the challenge! Please use this link when the event begins for the Facebook event:*

*It starts at Noon Thursday August 1 and goes for one hour.*

## Egyptian Shamanic Alchemy

*Thursdays from August 8-September 19 beginning at noon (recordings included)*

*Finally I just received the special link for my course, back by popular demand, also with the Shift Network, Egyptian Shamanic Alchemy, which I first did live last November and December. Although the modules will be recorded, I will come on live at the end of each of the seven modules to answer any questions that come up for you.*

*Please use and share the following special link for more information and to register for the class:*

**<https://shiftnetwork.isrefer.com/go/esaNS/shamanicjourneys/>**

*You will also get recordings of each class and become part of an online community where you can share stories and support each other as you go through this extremely leading edge course. Most of you know me well, so when I say it's the richest and most layered and deep work Mark and I have created, you will know what I mean. Also, much to my surprise, I discovered that many people took the course while in the belly of Sekhmet. What safer place to be in to travel to the next level...*

*With sincere wishes for your further evolution and joy,  
Nicki*

*PS: Please share this with those whom you think would be interested!*
