

Code Of Ethics

- **Confidentiality:** No information about the client will be disclosed to any third party without the written consent of the client or the parent or guardian if the client is under 18.
 - **Transparency:** Include on your website and be willing to explain to prospective clients or students your training background, the amount of time spent in sessions/classes and the fee charged.
 - **Integrity:** Be honest in all your activities and communication.
 - **Support:** Have a friendly, positive regard toward your clients and students.
 - **Respect:** Value your clients and students and treat them with respect. Never engage in any illegal or immoral activity with your clients or students. Never touch them without their consent. Abstain from the use of drugs or alcohol during all professional activities.
 - **Honor:** Honor all Alchemical Healing practitioners and teachers. Refrain from making negative statements about other Alchemical Healing practitioners or teachers.
 - **Educate:** Inform your clients and students about the value of Alchemical Healing sessions and that they do not provide a cure and are not a substitute for care by a licensed health care provider.
 - **Refer:** Acknowledge that Alchemical Healing works in conjunction with other forms of medical or psychological care. If a client or student has a medical or psychological condition, suggest, in addition to offering them Healing, they see a licensed health care provider.
 - **Non-Interference:** Never diagnose medical or psychological conditions or prescribe medications. Never suggest that a client change, or end dosages of substances prescribed by other licensed health care providers or suggest the client change prescribed treatment or interfere with the treatment of a licensed health care provider.
 - **Honesty:** Never use another person's writing, artwork or other materials in your classes, website literature or all Social Media/Video Platforms (i.e. Facebook, Instagram, YouTube, TikTok and so forth) without permission and giving credit.
 - **Freedom:** Encourage your clients/students to use their own inner guidance in determining who to take classes from including the possibility of receiving/studying with more than one practitioner or teacher.
 - **Professional Conduct:** Always act in such a way so as to create and maintain a professional image for the practice of Alchemical Healing.
 - **Development:** Be involved in the continuing process of healing yourself on all levels so as to fully express the essence of Alchemical Healing in all you do. Be in agreement with and working to fully express the Alchemical Healing Ideals and the teachings of Nicki Scully.
 - **Gratitude:** Be grateful for the gift of Alchemical Healing and for each client and student who chooses to come to you.
